IMAGING CENTER OWNERS

Where does an imaging order get lost?

Three places. Swipe.

Swipe →

LEAK 1 · BEFORE IT ARRIVES

The referring office quietly sends it elsewhere.

No cancellation, no call. Just an order that never came.

AlphaNodus

Swipe →

LEAK 2 · BEFORE IT IS SCANNED

The fax sits, or the authorization is not ready.

Someone reads, keys, calls and waits before the slot fills.

AlphaNodus

Swipe →

LEAK 3 · BEFORE IT IS PAID

The denial arrives weeks later.

Most of it was knowable when the patient booked.

AlphaNodus

Swipe →

FREE · 30 MINUTES

Trace one order from referral to payment.

Bring one order, no patient names. You keep the notes.
