IMAGING CENTER TEAMS

What if an order moved itself?

Watch one go from fax to paid.

AlphaNodus

Swipe →

RECEIVED

Read from the fax, drafted as an order.

Gravity Doc reads it. Your team confirms.

AlphaNodus

Swipe →

AUTHORIZED

Started the moment the order arrived.

Gravity PriorAuth submits and tracks it on the payer portal.

AlphaNodus

Swipe →

SCHEDULED

The patient books by text.

Gravity Booking and Visit handle open times, forms and copay.

AlphaNodus

Swipe →

PAID

Collected before they arrive.

Gravity Estimate and Pay show the patient share and collect it.

AlphaNodus

Swipe →

SEE IT ON YOUR ORDER

Watch one order from referral to report to payment.

A 30-minute demo on Google Meet.
