CUSTOMER STORY

MRI Associates

Finding the root problem.

~1 in 3
appointments had Medicare wrongly primary

Same day
“Verify Medicare” worklist built

> “I've worked with plenty of vendors, but none identified the root problem like Alpha Nodus did.”

Amanda Maple, CAO, MRI Associates

What happened

Medicare was listed as primary on nearly one in three appointments when it should not have been. A “Verify Medicare” worklist was built the same day.
