FOR BILLING & RCM LEADS

THE THIRD LEAK

# Does every exam you scan get paid?

A five-slide look at denials that were visible before the scan.

FOR BILLING & RCM LEADS

THE LEAK

# The scan is done. Then the claim is denied.

Or the patient disputes what they owe. The problem was there when the patient booked.

FOR BILLING & RCM LEADS

WHY IT HAPPENS

# Three late discoveries

Coverage checked late, or not at all.

The prior authorization is missing at the scan.

The patient learns their share after the visit.

WHAT GRAVITY DOES

# One fix for each

**Gravity Estimate**
Checks coverage and texts the patient their estimated cost.

**Gravity PriorAuth**
Submits and tracks authorizations on payer portals.

**Gravity Pay**
Collects the patient share at booking, by phone or at the desk.
